## **Admissions**

### **Equal Access/Equal Opportunity**

### **Equal Access/Equal Opportunity**

Shear Finesse Beauty Academy in making admissions decisions, we do not discriminate on the basis of disability, age, race, color, religion, creed, national origin, ethnic origin, sex, marital status, sexual orientation, or membership in other protected groups, as defined by local, state or federal law. Rather, we make admissions decisions based on merit, including each applicant's interest, aptitude, and ability. The specific requirements to gain admission are outlined in the admissions requirements.

### **Admissions Procedures**

Enrollment occurs year round for all programs and during regular school hours Monday-Friday 10am-5pm. All applicants will be required to meet with an admissions representative before any decision is made to submit an application. During the interview the representative will discuss the prospective student's program choice, training needs, individual motivation and other important pre-enrollment information.

### **Admissions Requirements**

The school requires each applicant complete an enrollment application and meet the following minimum requirements.

- Submit documentation showing that you are at least 16 years of age (birth certificate, driver's license, state ID, passport)
- Proof of graduation from high school or its equivalent, GED, an official transcript of secondary school completion, or a state certification of home-school completion. Or the school may accept an official transcript from a post-secondary institution. The transcript from the post-secondary institution must show completion of at least a two-year program acceptable for full credit towards a bachelor's degree.

Should an enrolling student provide a foreign high school diploma, the institution will work with the student to obtain an English translation of the document along with confirmation that the education received is equivalent to a U.S. high school diploma. This documentation must come from an outside agency.

In the absence of the above documentation, the applicant must take and pass an approved ability-to-benefit test administered according to the test publisher's guidelines by an approved Independent Test Administrator.

## Credit for Previous Training

Transfer students in all programs must submit formal application for admission and adhere to the admission policy and procedures. Students must provide official documentation of all prior credits earned. Credit for previous education and training will be evaluated and granted, if appropriate. All course work will be shortened accordingly, and all records of previous education will be maintained in the student's file. Upon receipt of an official transcript of previous hours, the student's tuition will be adjusted accordingly. Students are advised that the acceptance of credits is at the sole discretion of the receiving institution. No representation is made whatsoever concerning the transferability or acceptance of any credits to any institution. It is the student's responsibility to confirm whether or not credits earned will be accepted by another institution of the student's choice. **Please Note:** Shear Finesse Beauty Academy does not recruit students already attending or admitted to another school offering similar programs of study.

## Out of State Training

Credits for out of state training must be evaluated and approved by the State Board of Cosmetology prior to being accepted by the School. An institution's accreditation does not guarantee that the credits earned at that institution will be accepted for transfer. Students must contact the admissions office of the receiving institution to determine what credits, if any, will be accepted.

## Re-entry

A student who has withdrawn or been terminated may request to re-enter the school, and if accepted, must follow the admissions policies and procedures. All pass accounts with Shear Finesse Beauty Academy must be settled prior to consideration. The school will charge a re-entry fee to students who have withdrawn and wish to re-enter more than 30 days after withdrawal/termination, of \$150.00. The tuition rates current at the time of re-entry will apply to the balance of training hours needed for students who re-enroll more than 30 days after the formal withdrawal date unless mitigating circumstances apply. Students will be required to repeat any part the program that was incomplete or recommended for repetition by the school administration. Circumstances regarding a student's application for re-entry will be considered on an individual basis.

Section 504 defines a "qualified individual with a disability" as an individual with a disability who meets the academic and technical standards requisite for admission or participation in the recipient's program or activity. **Shear Finesse Beauty Academy will not ask applicants or current students if they have a disability.** The disclosure of a disability is voluntary and confidential. Students also receive training in professionalism and job search skills including how to write a resume, complete an employment application and prepare for an effective interview. The curriculum places a great deal of emphasis on how to obtain and retain employment after graduation. Graduates are encouraged to maintain contact with the school and follow-up with the school on current employment or employment needs. In addition, the school maintains a network of relationships with professionals and employers who provide mentoring to students while they are in school. ## **Grievance Policy**

The school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's licensing below:

## Student Conduct

Students enrolled at Shear Finesse Beauty Academy are subject to federal, state, and local laws as well as regulations set by the institution at all times. Students are expected to dress professionally and conduct themselves in a businesslike manner. Students must be aware that this section may not account for all situations and the school reserves the right to change and/or amend any of the following rules and regulations as deemed necessary.

### Discrimination, Harassment, Bullying & Offensive Behavior

Shear Finesse Beauty Academy strives to provide an environment in which all students can achieve their goals and thrive. Discrimination, harassment, bullying, and any significantly offensive behavior create barriers to education and achievement and are contrary to the school's core values. Shear Finesse Beauty Academy pledges to comply with all applicable laws providing equal educational opportunities to individuals regardless of disability, age, race, color, religion, creed, national origin, ethnic origin, sex, marital status, sexual orientation, or membership in other protected groups, as defined by local, state or federal law or other applicable protected classes under federal, state, or local law. This pledge covers admissions, recruitment, financial assistance, course offerings, counseling, advising, and employment.

- *Descriptive discrimination behavior is treating an individual or group less favorably than another because of a membership in a legally protected class.*
- *Descriptive harassing behavior is verbal or physical conduct that demeans, stereotypes or shows hostility or aversion toward an individual or group because of a membership in a legally protected class and which creates an offensive, intimidating or hostile school environment.*
- *Descriptive bullying behavior is the continuous or repeated infliction of physical harm or psychological distress on one or more students or employees.*

For all these reasons, Shear Finesse Beauty Academy will not tolerate discrimination, harassment, bullying or other significantly offensive conduct directed towards students in connection with their educational programs and activities at the school, without regard for the intent or basis for the conduct. The school Director shall terminate any student found to be engaging in any behaviors described in the above policy.

### Drug Free School and Work Place Policy

Shear Finesse Beauty Academy is hereby declared a drug and alcohol free school and work place. Students and employees are prohibited from the unlawful manufacture, distribution, possession or use of a controlled substance or alcohol anywhere on school property. Including the grounds, parking areas, or while participating in school related activities. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination of employment.

As a condition of enrollment or employment, students and employees must abide by the terms of the policy or Shear Finesse Beauty Academy will take one or more of the following actions within 30 days with respect to any student or employee who violates this policy by:

1. Reporting the violation to law enforcement officials.

2. Taking appropriate disciplinary action against such student or employee, up to and including expulsion or termination of employment
3. Requiring such student or employee to participate in a substance abuse rehabilitation program approved for such purposes by a federal, state, local health, law enforcement, or other appropriate agency.

In conformance with the law, Shear Finesse Beauty Academy will make a good faith effort to maintain a drug and alcohol free school and work place through implementation of the preceding policy and will establish and maintain a drug and alcohol free awareness program.

## Convictions of Possessions or Sale of Illegal Drugs and Federal Student Financial Aid

A federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he is eligible; you're not required to confirm this unless you have conflicting information. Convictions only count against a student for aid eligibility purposes (FAFSA question 23c) if they were for an offense that occurred during a period of enrollment for which the student was receiving Federal Student Aid—they do not count if the offense was not during such a period, unless the student was denied federal benefits for drug trafficking by a federal or state judge (see drug abuse hold sidebar, next page). Also, a conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

	Possession of illegal drugs	Sale of illegal drugs
1st offense	1 year from date of conviction	2 years from date of conviction
2nd offense	2 years from date of conviction	Indefinite period
3+ offenses	Indefinite period	Indefinite period

## Disciplinary Actions

Violation of the student conduct rules or school policies and procedures will result in disciplinary actions. In each instance, Shear Finesse Beauty Academy retains full discretion to determine what discipline (up to and including termination) is warranted. The following outlines the schools most common disciplinary actions:

1. Verbal Warning  
Generally, a verbal warning is appropriate when the school has no knowledge of prior misconduct by the student and the school determines that the misconduct is moderate in nature. A memorandum of the verbal warning will be placed in the student's record.
2. Written Warning  
Generally, a written warning is appropriate when it is determined that the student has engaged in a prior act of misconduct or the misconduct is serious in nature.
3. Three-Day Suspension  
Generally a three-day suspension is appropriate when the student has engaged in repeated acts of prior misconduct or the misconduct is severe.
4. Termination

Generally, termination of enrollment is appropriate when the student has engaged in repeated acts of prior misconduct and the misconduct is severe in nature. However, certain types of misconduct are so severe that the school will choose to terminate the student's enrollment upon a first offense.

**The following list provides examples of conduct that, when committed by a student, are likely to result in disciplinary action:**

- Statements or conduct towards a fellow student, staff member, or guest that demeans, harasses, or discriminates against that person on the basis of race, color, national origin, ethnic origin, religion, disability, gender, sex, sexual orientation, or any protected characteristic
- Sexualized, abusive, bullying, profane, or other offensive statements or conduct towards a fellow student, staff member, or guest
- Refusal to follow reasonable directions from a staff member or other insubordination
- Chronic or excessive tardiness or absences that are disruptive to the learning environment, guests services, or otherwise
- Not calling in during absences-“no call, no shows”
- Acts in violation of applicable federal, state, and local law.
- Theft or destruction of property belonging to the school, students, guests, or co-workers
- Acts or threats of violence towards a fellow student, staff member, or guest or on school property
- Violation of the drug and alcohol-free school policy
- Appearing in the campus intoxicated or under the influence of a controlled substance
- Refusing a client
- Cheating on an exam
- Disrupting the learning environment
- Possession of alcohol, illegal drugs, firearms, explosives, weapons or other unlawful or dangerous materials or items on school property
- Excessive Tardiness and Absences

This list does not limit the circumstances under which Shear Finesse Beauty Academy may impose disciplinary action against students. Any conduct that falls below our standards of conduct or breaches the school's policies is subject to disciplinary action.

## **Photographs & Recordings**

You may not audio-record, video-record, or photograph a fellow student, an employee, or third party with whom you interact in the course and scope of your enrollment without the knowledge and consent of that person. Often the school takes photographs, videos, and audio-recordings of campus activities including its students, guests, and others for promotional or other purposes. If you wish not to be included in such photographs, videos, and audio-recordings, please notify a school official, instructor, or the Director to ensure the school honors your decisions.

## **Appeals of Disciplinary Actions**

In the event that you disagree with a final decision or disciplinary action issued by Shear Finesse Beauty Academy, you may seek a review of the outcome by submitting an appeal to the Director. To submit an appeal, you must submit a written statement that clearly identifies the decision (that is, the decision with which you disagree), the reason that you disagree with the decision, and any other information that you would like to be considered. The appeal must be filed within 14 calendar days of receipt of the disciplinary action. The school officials will review the appeal and make a final decision within 5 days of the written appeal. All decisions following appeals for disciplinary actions are final.

## Clery Act

The “Clery Act” is a federal statute codified at 20 U.S.C. § 1092(f), with implementing regulations in the U.S. Code of Federal Regulations at 34 C.F.R. 668.46. The Clery Act requires all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses. Compliance is monitored by the United States Department of Education. The law is named for Jeanne Clery, a 19-year-old Lehigh University freshman who was raped and murdered in her campus residence hall in 1986. The backlash against unreported crimes on numerous campuses across the country led to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. [2] The Clery Act, signed in 1990, was originally known as the Crime Awareness and Campus Security Act.

In compliance with provisions of the Campus Security Act, Shear Beauty Academy prepares an annual security report, along with policies and procedures (*Campus Security Policies and Procedures Handbook*) concerning campus security safety. This report includes statistics for the previous three years related to reported crimes that occurred on campus; in or on certain off-campus space (parking lot) being utilized by the school and its students.

The policies and procedures handbook contains information concerning alcohol and drug use and prevention, crime prevention, the reporting of crimes, sexual assault, and other matters.

For more information or a copy of the annual security report and handbook of policies and procedures contact the admissions office 904-764-6474 or visit the school website. [www.sharfinessehairacademy.com](http://www.sharfinessehairacademy.com)

## Academics

### Clock Hour Credit

Shear Finesse Beauty Academy measures and awards credit based on a clock hours. Clock hours are a measure of time defined as a minimum of 50 minutes of supervised instruction during a 60 minute period. It is the amount of time the student spends in educational or training activities. The number of clock hours required by a student in the State of Florida is 1200.

### Grading System

Both Academic/Theory and Practical Evaluations will be measured according to the grading scale below.

Grading Scale		
100%-95%	Excellent	A
94%-85%	Good	B
84%-80%	Satisfactory	C
79% and below	Unsatisfactory	Failing

### Student Classification

The programs at Shear Finesse Beauty Academy are classified into three departments:

- **Basic Department: 1-300 Hours**

The student is taught sanitation and shampooing. They are also introduced to basic chemical services, such as hair coloring, permanent waving, and relaxing. The student practices these skills on their mannequins and each other. They are gradually placed onto the clinic floor during the latter portion of their initial 300 Hours.

- **Intermediate Department: 301-600 Hours**

In this range the student should have fully graduated to the clinic floor. They have gained enough theoretical and clinical knowledge to provide basic services on the clients. However, they are under close supervision of the floor instructor. Additionally, they may be required to observe or assist a senior student.

- **Advanced Department: 601-1200 Hours**

Academic and Clinical skill are continuously being taught throughout all departments. The students will continue lab and clinical assignments in order to gain the services and skills needed to complete the program. The student must work to have all skills mastered. Students at this level are now working on speed, accuracy, test taking skills, sanitation, safety, job search, and customer service.

## Testing Policy

The following outlines the school's testing policy:

1. All students are required to be tested after each chapter in the textbook and must pass with a score of 80% or higher. Each student is required to turn in their workbook assignment prior to each test and must not have missed 75% or more of the chapter's theory instructions. If you fail to turn in the workbook assignment or absent 75% or more of the chapter's theory without meeting with your instructor for missed assignments/lectures, you will be ineligible to take the test on the scheduled test date. The assignment of additional work is the responsibility of the student. He/she must meet with their instructor regarding missed lectures and work book assignments.
2. Any student tested on the scheduled test date and scores 79% or lower will be allowed to retake with a different test. The testing date will be provided by the instructor within 24 hours of failure notice. The higher of the two scores will be recorded in the student's file. If the student fails the retake test, he/she is allowed to retake a different test after 5 calendar days and will be charged a fee of 25.00 for each retake test requested. Payment is due prior to taking the test and is non-refundable. (*Test dates are subject to change at the discretion of the school and/or instructor. Students will be notified of all changes in a reasonable time frame prior to test date.*)
3. Any student absent on the scheduled test date without prior approval, mitigating circumstances, and/or missed more than 75% of the chapter's theory instructions without additional assignments from the instructor, or failed to complete the assigned workbook lesson will be allowed to take the test on the scheduled date for retesting. # Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy (SAP) is consistently applied to all students enrolled at Shear Finesse Beauty Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

## Evaluation Period

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology 450, 900, 1200 clocked (actual) hours  
 Barbering 450, 900, 1200 clocked (actual) hours  
 Restricted Barbering 450, 900, 1200 clocked (actual) hours

\*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

## Attendance Progress Evaluation

Students are required to attend a minimum of 67% of their contracted hours based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Full time students are scheduled to be in attendance 6 hours per day, Monday through Friday for a total of 30 hours per week. All part time students are scheduled to be in attendance 5 hours per day, Monday through Thursday and 4 hours on Friday for a total of 24 hours per week.

## Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course		Maximum Time Allowed	
Full Program Length	Academic Year Length	Approx. Weeks	Scheduled Hours
Cosmetology (Full time, 30 hrs/wk-40 weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Cosmetology (Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800
Barbering- (Full time, 30hrs/wk-40 weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Barbering-(Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800
Restricted Barbering-(Full-time,30hrs/wk-40weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Restricted Barbering-(Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis.

## **Academic Progress Evaluations**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Shear Finesse Beauty Academy. Students must maintain a written grade average of 80% to be considered making satisfactory progress.

Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<b>Grading Scale</b>		
100%-95%	Excellent	A
94%-85%	Good	B
84%-80%	Satisfactory	C
79% and below	Unsatisfactory	Failing

## **Determination of Progress Status**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

## **Warning**

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

## **Probation**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

## **Re-establish of Satisfactory Academic Progress**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

## **Interruptions, Course Incompletes, Withdrawals**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

## Appeal Procedures

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

## Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

## Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

(End of Satisfactory Progress Policy)

# Attendance Policy

The importance of regular attendance and punctuality cannot be over-emphasized. The future employer of cosmetology students and your clients will expect dependability, as we will. All students are required to clock in electronically and sign an attendance roster. Attendance is monitored daily to ensure students are adhering to the attendance policies. Students are required to call the school if they are going to be absent. Students must speak with a school official or Instructor to inform him/her of the reason, duration of absence, and to schedule all make up work. Students who are absent 1 day without notification and no documented mitigating circumstance are considered a "no call no show" and will be given a verbal warning for 1<sup>st</sup> offenses and a written warning, suspension or terminated if the offense is continuously repeated.

**VETERAN STUDENTS: *Please see the school's VA certifying official for all academic and attendance policies specific to the school's Veteran population.***

- The student's own serious health condition
- Death of an immediate family member

### ➤ Documented jury duty

- If a student is unable to provide a written request in advance due to an unforeseen circumstance, the school will document its reason for the leave of absence, if granted and collect the request from the student at a later date. The beginning date of the approved LOA will be the first date the student was unable to attend class due to the unforeseen circumstance.
- Leave of absences are reviewed for approval, all requests for LOA will be considered on an individual basis and is typically limited to one leave of absence in a 12 month period with a reasonable expectation that the student will return after the LOA
- Leave of absences cannot exceed 180 days within a 12 month period. A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 days in any 12-month period.
- Students will not be charged any additional tuition for an approved Leave of Absence.
- Students returning from a leave of absence will return to school in the same progress status prior to the leave of absence and resume their level of study at the same point in which they left
- Students will have their contracts extended by the same number of days taken in the LOA. Changes to the contacted enrollment agreement will be documented with an addendum signed and dated by the student and designated school official.
- Students granted a LOA that meet these criteria are not considered as withdrawn, no refund calculation is required at this time.
- Failure to return from the Leave of Absence on the schedule date will result in immediate termination from school, unless the student speaks with the administrator to extend the Leave of absence before the schedule return date. All institutional refunds and Return to Title IV calculations will then go into effect based on the student's last date of attendance.
- Student will be withdrawn if the student takes an unapproved Leave of Absence or does not return by the expiration of an approved Leave of Absence and the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.
- Students approved for VA benefits may not be approved for a leave of absence due to VA pay purposes. Education Benefits will be terminated during periods of absence as defined in the Veteran's Policies.

## **Tardiness Guidelines**

Excessive tardiness interferes with the quality of education to all students and will not be tolerated. If tardiness becomes a habit, a student may be placed on probation at the school's discretion and will be asked to make improvements in this area within a given time frame. If the behavior continues, the student may be dismissed from the program.

## **Leaving Class Early**

Students are expected to attend class according to their approved class schedule. Students are required to notify their instructor if they have to leave class before the end of their class schedule. A student who leaves early from class frequently will be counseled by the instructor. Leaving class early excessively may lead to disciplinary suspension.

## **Make-Up Hours**

Although absences are discouraged, the school will permit students from both the day and evening class to make-up hours missed due to documented scheduled absences and documented mitigating circumstances. No student will be allowed to make up time due to tardiness, no call no show, and unscheduled absences. All make up time must be approved by the Director prior to completion in order to receive credit and should not exceed the approved make up hours. Make up time will be documented in the same manner as regular attendance by the electronic clocking method and manually signing the attendance roster.

# Refund Policy-Notice of Cancellation

## Official Withdrawal

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Any monies due the applicant or students shall be refunded within 30 days of official cancellation or withdrawal.

Official cancellation or withdrawal shall occur on the earlier of the dates that:

- 1 An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid.
- 2 A student (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
- 3 A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases he/she shall be entitled to a refund of all monies paid to the school less the registration fee in the amount of \$100.
- 4 A student notifies the institution of his/her withdrawal in writing.
- 5 A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
- 6 A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 30 days.)
- 7 In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.
8. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

PERCENTAGE LENGTH COMPLETED TO TOTAL LENGTH OF COURSE AND/OR PROGRAM, SEMESTER, TERM OR BILLING PERIOD, PER CONTRACT	AMOUNT OF TUITION OWED TO THE SCHOOL
0.01% to 40%	Pro-Rata
40.1% to 49.9%	70%
50% and over	100%

9. All refunds will be calculated based on the student's last date of attendance. Any monies due a student who withdraws shall be refunded within 30 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
10. Books and tool kits are non-refundable.
11. Students who withdraw or terminate prior to course completion are charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.

12. If a Title IV financial aid participant withdraws prior to course completion, a calculation Return To Title IV (R2T4) funds will be completed and any applicable returns by the school shall be paid first to unsubsidized Federal Direct Loan Programs; second to subsidized Federal Direct Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. A complete description of the Return to Title IV (Federal Student Aid) procedures will be provided by the Financial Administrator.

(End of Official Withdrawal Policy)

## Unofficial Withdrawal Policy

Unofficial withdrawals occur when a student is dropped from a program due to academics and/or attendance, terminated for conduct, fails to return from an official leave of absence, and/or ceases to attend class without having gone through Shear Finesse Beauty Academy’s Official Withdrawal Process.

### Date of Determination

Regardless of whether the withdrawal was done officially or unofficially, the school will determine the date of withdrawal. In the case of unofficial withdrawals, the last documented date of attendance will be the withdrawal date with the exception of students not returning from an approved leave of absence. These students will be withdrawn from the program and the withdrawal date will be the earlier of the documented expected date of return or the date the student notifies the institution of withdrawal. This policy also applies to expelled students.

School officials will utilize attendance records and/or student academic records in determining the last date the student was considered in participation in their classes, if necessary.

Withdrawal dates for students who did not notify the school due to circumstances beyond their control will be given special consideration for an earlier withdrawal date based on appropriate third party documentation of their circumstances.

### Identifying Unofficial Withdrawals

At the end of each month, designated school officials audit attendance and academic records to identify students who may be considered an “unofficial withdrawal”. The results are reported to the Administrative, Business, and Financial Aid Offices to complete the withdrawal process (if applicable).

### Financial Responsibility for Unofficial Withdrawals

For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

PERCENTAGE LENGTH COMPLETED TO TOTAL LENGTH OF COURSE AND/OR PROGRAM, SEMESTER, TERM OR BILLING PERIOD, PER CONTRACT	AMOUNT OF TUITION OWED TO THE SCHOOL
0.01% to 40%	Pro-Rata
40.1% to 49.9%	70%
50% and over	100%

- Students who withdraw or terminate prior to course completion may be charged a cancellation or administrative fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.
- Books and kits are non-refundable
- For unofficial withdrawals, all refunds will be calculated based on the students last date of attendance. Any funds due a student shall be refunded within 30 days of that date. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

***Federal Financial Aid Recipients:*** The school will report official and unofficial withdrawals as mandated. Which will result in a calculation for Return To Title IV (R2T4) funds and any applicable returns by the school shall be paid first to unsubsidized Federal Direct Loan Programs; second to subsidized Federal Direct Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program. **A complete description of the *Return to Title IV (Federal Student Aid)* procedures will be provided by the Financial Administrator.**

(End of Unofficial Withdrawal Policy)

## **Return of Title IV FUNDS**

**(The phrase “*Your School*” refers to Shear Finesse Beauty Academy)**

The law specifies how Shear Finesse Beauty Academy (*institution*) must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, Academic Competitiveness Grants, National SMART grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs) and Federal Perkins Loans.

This policy applies to students' who withdraw officially, unofficially or dismissed from enrollment at Shear Finesse Beauty Academy. It is separate and distinct from the Shear Finesse Beauty Academy refund policy. (Refer to institutional refund policy)

The calculated amount of the Return of Title IV, HEA (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When a student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

## “Official” and “Unofficial” Withdrawal from the School

A student is considered to be “Officially” withdrawn on the date the student notifies the Financial Aid Director or School Director in writing of their intent to withdraw. Any student that does not provide official notification of his or her intent to withdraw and is absent for more than 10 consecutive school days (14 calendar days), will be subject to termination and considered to have “Unofficially” withdrawn. The date of determination will be the last date the student was in attendance.

Upon determination of a withdrawal status, Shear Finesse Beauty Academy will complete the following:

1. Determine the student’s last date of attendance as of the last recorded date of academic attendance on the school’s attendance record.
2. Utilize the student’s ledger and attendance record to complete a *Return to Title IV Funds* electronic worksheet provided by Financial Aid Services (FAS).
3. Submit the form to FAS to calculate the Return of Title IV, HEA funds the student has earned, and if any, the amount of Title IV funds for which the school is responsible. Returns made to the Federal Funds Account are calculated using the Department’s Return of
4. Title IV, HEA Funds Worksheets. The scheduled attendance is based upon the
5. payment period.
6. Upon receipt of the completed *Treatment of Title IV Funds* worksheet from FAS electronically, the school will return the amount for any unearned portion of the Title IV funds for which the school is responsible within 45 days of the date the determination date.
7. Calculate the school’s refund requirement (see school refund calculation)
8. Shear Finesse Beauty Academy, Financial Director will return to the
9. Federal fund programs any unearned portion of Title IV funds for which the school
10. is responsible within 45 days of the date the withdrawal determination was made and update
11. the return on the student’s ledger card.
12. If applicable, Shear Finesse Beauty Academy, will provide the student with a
13. refund letter explaining Title IV requirements:
  - a) The amount of Title IV aid the student has earned based upon the length of
  - b) time the student was enrolled and scheduled to attend in the program and the
  - c) amount of aid the student received.
  - d) b) Advise the student in writing of the amount of unearned Title IV aid and tuition
  - e) and fees that he/she must return, if applicable.
  - f) c) Supply the student with a final student ledger card showing outstanding balance
  - g) due the school and the available methods of payment.
14. A copy of the completed worksheet, letter, and final ledger card will be kept
15. in the student’s file.

In the event a student decides to rescind his or her *official* notification to withdraw, the student must provide a signed and dated written statement that he/she is continuing his or her program of study, and intends to complete the payment period. Title IV, HEA assistance will continue as originally planned. If the student subsequently fails to attend or ceases attendance without completing the payment period, the student’s withdrawal date is the original date of notification of intent to withdraw.

## **Disbursement Restrictions – 30 Day, First time, First Year Undergraduate Students**

There are some Title IV, HEA funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements.

For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct Loan funds that you would have received had you remained enrolled past the 30th day.

### **Earned AID**

Title IV, HEA aid is earned in a prorated manner on a per diem basis (clock hours) up to the 60% point in the **payment period**. Title IV, HEA aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid director.

### **Withdraw Before 60%**

The institution must perform a R2T4 to determine the amount of earned aid through the 60% point in each payment period or period of enrollment. The institution will use the Department of Education's prorate schedule to determine the amount of the R2T4 funds the student has earned at the time of withdrawal.

### **Withdraw After 60%**

After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV, HEA funds he or she was scheduled to receive during this period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

*The institution measures progress in Clock Hours, and uses the payment period for the period of calculation.*

### **The Calculation Formula**

Determine the amount of Title IV, HEA Aid that was disbursed plus Title IV, HEA aid that could have been disbursed.

Calculate the percentage of Title IV, HEA aid earned:

1. Divide the number of clock hours scheduled to be completed in the payment period as of the last date of attendance in the payment period by the total clock hours in the payment period.

$$\frac{\text{HOURS SCHEDULED TO COMPLETE}}{\text{TOTAL HOURS IN PERIOD}} = \% \text{ EARNED}$$

1. If this percentage is greater than 60%, the student earns 100%.
2. If this percent is less than or equal to 60%, proceeds with calculation.

Percentage earned from (multiplied by) Total aid disbursed, or could have been disbursed = AMOUNT STUDENT EARNED.

Subtract the Title IV aid earned from the total disbursed = AMOUNT TO BE RETURNED.

100% minus percent earned = UNEARNED PERCENT

Unearned percent (multiplied by) total institutional charges for the period = AMOUNT DUE FROM THE SCHOOL.

If the percent of Title IV aid disbursed is greater than the percent unearned (multiplied by) institutional charges for the period, the amount disbursed will be used in place of the percent unearned.

If the percent unearned (multiplied by) institutional charges for the period are less than the amount due from the school, the student must return or repay one-half of the remaining unearned Federal Pell Grant.

Students are not required to return the overpayment if this amount is equal to or less than 50% of the total grant assistance that was disbursed /or could have been disbursed. The student is also not required to return an overpayment if the amount is \$50 or less.

The institution will issue a grant overpayment notice to student within 30 days from the date the school's determination that student withdrew, giving student 45 days to either:

1. Repay the overpayment in full to Shear Finesse Beauty Academy or Sign a repayment agreement with the U.S. Department of Education.

## **Order of Return**

Shear Finesse Beauty Academy is authorized to return any excess funds after applying them to current outstanding Cost of Attendance (COA) charges. A copy of the Institutional R2T4 work sheet performed on your behalf is available through the office upon student request.

In accordance with Federal regulations, when Title IV, HEA financial aid is involved, the calculated amount of the R2T4 Funds" is allocated in the following order:

- Unsubsidized Direct Stafford loans (other than PLUS loans)
- Subsidized Direct Stafford loans
- Parent Plus loans – received on behalf of the student
- Direct PLUS loans – received on behalf of the student
- Federal Pell Grants for which a Return is required
- Iraq and Afghanistan Service Grant for which a Return is required –
- Federal Supplemental Educational Opportunity Grant
- Other Title IV, HEA assistance

## **Timeframe for Returning of Title IV, HEA funds:**

A school must return the amount of Title IV funds for which it is responsible as soon as possible, but no later than **45 days** after it determines or should have determined that the student withdrew.

## **Post-Withdrawal Disbursement**

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school).

The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

### **Timeframe for post- withdrawal disbursement of Title IV, HEA funds**

A school must offer any post-withdrawal disbursement of loan funds within 30 days of the date the school determined the student withdrew. A school must always return any unearned Title IV funds it is responsible for returning within 45 days of the date the school determined the student withdrew.

- A school must disburse any Title IV grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew and disburse any loan funds a student accepts within 180 days of the date the school determined the student withdrew.

### **Time frame for returning an unclaimed Title IV, HEA credit balance**

If a school attempts to disburse the credit balance by check and the check is not cashed, the school must return the funds no later than 240 days after the date the school issued the check.

If a check is returned to a school or an EFT is rejected, the school may make additional attempts to disburse the funds, provided that those attempts are made not later than 45 days after the funds were returned or rejected. When a check is returned or EFT is rejected and the school does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period. The school must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check.

### **Institution Responsibilities in regards to return of Title IV, HEA funds**

Shear Finesse Beauty Academy's responsibilities in regards to Title IV, HEA funds follow:

- Providing students information with information in this policy;
- Identifying students who are affected by this policy and completing the return of Title IV, HEA funds calculation for those students;
- Returning any Title IV, HEA funds due to the correct Title IV, HEA programs.

The institution is not always required to return all of the excess funds; there are situations once the R2T4 calculations have been completed in which the student must return the unearned aid.

### **Overpayment of Title IV, HEA Funds**

Any amount of unearned grant funds that you must return is called overpayment. The amount of grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangement with Shear Finesse Beauty Academy or Department of Education to return the amount of unearned grant funds.

### **Student Responsibilities in regards to return of Title IV, HEA funds**

- Returning to the Title IV, HEA programs any funds that were dispersed to the student in which the student was determined to be ineligible for via the R2T4 calculation.
- Any notification of withdraw should be in writing and addressed to the appropriate institutional official.
- A student may rescind his or her notification of intent to withdraw. Submissions of intent to rescind a withdraw notice must be filed in writing.
- Either these notifications, to withdraw or rescind to withdraw must be made to the official records/registration personal at your school.

### **Institution Refund vs. Return to Title IV, HEA Funds**

The requirements for the Title IV, HEA program funds when you withdraw are separate from any refund policy that Shear Finesse Beauty Academy may have to return to you due to a cash credit balance. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Shear Finesse Beauty Academy may also charge you for any Title IV, HEA program funds that they were required to return on your behalf.

If you don't already know what your school's refund policy is, you can ask your school for a copy (provided during enrollment, orientation, school catalog). Your school can also provide you with the requirements and procedures for officially withdrawing from school (provided during enrollment/orientation and school catalog).

### **Return to Title IV, HEA questions?**

If you have questions regarding Title IV, HEA program funds after visiting with your financial aid director, you may call the Federal Student Aid Information Center at 1-800-4-fedaaid (800-433-3243). TTY users may call 800-730-8913. Information is also available on student aid on the web **[www.studentaid.ed.gov](http://www.studentaid.ed.gov)**.

**\*This policy is subject to change at any time, and without prior notice.**

# Veterans Policies

The following information pertains to students attending Shear Finesse Beauty Academy utilizing benefits due to their eligibility through the Veterans Administration. These policies are applied only to those students and do not apply to the general student population of Shear Finesse Beauty Academy.

## **Standards of Attendance for Veteran Students**

Veteran students enrolled at Shear Finesse Beauty Academy who are absent more than 20% of their total scheduled hours in any month will have their pay benefits terminated for unsatisfactory attendance. Absences may be excused due to extenuating circumstances only. Excused absences will be substantiated by entries in the students' files. Early departures, class cuts, being tardy, etc., for any portion of a class period will be calculated by the minute and counted towards the maximum percentage of absences allowed in a month.

If benefits are terminated due to unsatisfactory attendance, a student must show good attendance (as defined) for a period of one month after the determination. After such time, the student may be recertified for VA education benefits.

The student's attendance record will be retained in the veteran's administrative file and in the student's electronic attendance record for USDVA and SAA audit purposes.

## **Standards of Academic Progress for Veteran Students**

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 80% each evaluation period. All students enrolled are evaluated at 450, 900, and 1200 actual clocked hours. All students are required to achieve a minimum CGPA average of 80% by the midpoint of training. VA students whose CGPA fall below 80% at the end of any evaluation period will be placed on an academic probation until the next evaluation period. If the VA student's CGPA is still below 80% at the end of the probation period, the student's VA educational benefits will be terminated. A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a minimum CGPA of 80% by the next evaluation period.

## **Veteran's Credit for Previous Education or Training**

VA students must disclose all previous education and training. All training from other institutions will be evaluated by the School Director and must be supported by an official transcript and catalog showing the course description. Shear Finesse Beauty Academy will grant appropriate credit based on the evaluation of previous education. The student must have earned at least a C (2.0) in the course for he/she desires credit for previous training. VA students training time will be shortened and tuition reduced proportionately. The Veteran Administration and the student will be notified when the evaluation is completed.

(End of Veteran Student Policy)

# Consumer Disclosures

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), includes many disclosure and reporting requirements. A disclosure requirement is information that a postsecondary education institution is required to distribute or make available to another party, such as students or employees. A reporting requirement is information submitted to the U.S. Department of Education or other regulatory agencies. The following is a list of the information required to be made available to students as well as how to obtain the information. **For your convenience**, most of the general school notifications required by the Higher Education Amendments of 1986 has been satisfied within this catalog, during orientation and on school website ([www.shearfinessehairacademy.com](http://www.shearfinessehairacademy.com)).
