Students are expected to dress professionally and conduct themselves in a businesslike manner. Students must be aware that this section may not account for all situations and the school reserves the right to change and/or amend any of the following rules and regulations as deemed necessary.

Discrimination, Harassment, Bullying & Offensive Behavior

Shear Finesse Hairstyling Academy strives to provide an environment in which all students can achieve their goals and thrive. Discrimination, harassment, bullying, and any significantly offensive behavior create barriers to education and achievement and are contrary to the school's core values. Shear Finesse Hairstyling Academy pledges to comply with all applicable laws providing equal educational opportunities to individuals regardless of color, sex, race, religion, age, national origin, physical handicap, military or veteran status, or other applicable protected classes under federal, state, or local law. This pledge covers admissions, recruitment, financial assistance, course offerings, counseling, advising, and employment.

- *Descriptive discrimination behavior is treating an individual or group less favorably than another because of a membership in a legally protected class.*
- *Descriptive harassing behavior is verbal or physical conduct that demeans, stereotypes or shows hostility or aversion toward an individual or group because of a membership in a legally protected class and which creates an offensive, intimidating or hostile school environment.*
- *Descriptive bullying behavior is the continuous or repeated infliction of physical harm or psychological distress on one or more students or employees.*

For all these reasons, Shear Finesse Hairstyling Academy will not tolerate discrimination, harassment, bullying or other significantly offensive conduct directed towards students in connection with their educational programs and activities at the school, without regard for the intent or basis for the conduct. The school Director shall terminate any student found to be engaging in any behaviors described in the above policy.

Drug Free School and Work Place Policy

Shear Finesse Hairstyling Academy is hereby declared a drug and alcohol free school and work place. Students and employees are prohibited from the unlawful manufacture, distribution, possession or use of a controlled substance or alcohol anywhere on school property. Including the grounds, parking areas, or while participating in school related activities. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination of employment.

As a condition of enrollment or employment, students and employees must abide by the terms of the policy or Shear Finesse Hairstyling Academy will take one or more of the following actions within 30 days with respect to any student or employee who violates this policy by:

1. Reporting the violation to law enforcement officials.

In conformance with the law, Shear Finesse Hairstyling Academy will make a good faith effort to maintain a drug and alcohol free school and work place through implementation of the preceding policy and will establish and maintain a drug and alcohol free awareness program.

Convictions of Possessions or Sale of Illegal Drugs and Federal Student Financial Aid

A federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he is eligible; you're not required to confirm this unless you have conflicting information. Convictions only count against a student for aid eligibility purposes (FAFSA question 23c) if they were for an offense that occurred during a period of enrollment for which the student was receiving Federal Student Aid—they do not count if the offense was not during such a period, unless the student was denied federal benefits for drug trafficking by a federal or state judge (see drug abuse hold sidebar, next page). Also, a conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

	Possession of illegal drugs	Sale of illegal drugs
1st offense	1 year from date of conviction	2 years from date of conviction
2nd offense	2 years from date of conviction	Indefinite period
3+ offenses	Indefinite period	Indefinite period

Disciplinary Actions

Violation of the student conduct rules or school policies and procedures will result in disciplinary actions. In each instance, Shear Finesse Hairstyling Academy retains full discretion to determine what discipline (up to and including termination) is warranted. The following outlines the schools most common disciplinary actions:

1. Verbal Warning
Generally, a verbal warning is appropriate when the school has no knowledge of prior misconduct by the student and the school determines that the misconduct is moderate in nature. A memorandum of the verbal warning will be placed in the student's record.
2. Written Warning
Generally, a written warning is appropriate when it is determined that the student has engaged in a prior act of misconduct or the misconduct is serious in nature.
3. Three-Day Suspension
Generally a three-day suspension is appropriate when the student has engaged in repeated acts of prior misconduct or the misconduct is severe.
4. Termination
Generally, termination of enrollment is appropriate when the student has engaged in repeated acts of prior misconduct and the misconduct is severe in nature. However, certain types of misconduct are so severe that the school will choose to terminate the student's enrollment upon a first offense.

The following list provides examples of conduct that, when committed by a student, are likely to result in disciplinary action:

- Statements or conduct towards a fellow student, staff member, or guest that demeans, harasses, or discriminates against that person on the basis of race, color, national origin, ethnic origin, religion, disability, gender, sex, sexual orientation, or any protected characteristic

- Sexualized, abusive, bullying, profane, or other offensive statements or conduct towards a fellow student, staff member, or guest
- Refusal to follow reasonable directions from a staff member or other insubordination
- Chronic or excessive tardiness or absences that are disruptive to the learning environment, guests services, or otherwise
- Not calling in during absences-“no call, no shows”
- Acts in violation of applicable federal, state, and local law.
- Theft or destruction of property belonging to the school, students, guests, or co-workers
- Acts or threats of violence towards a fellow student, staff member, or guest or on school property

- Possession of alcohol, illegal drugs, firearms, explosives, weapons or other unlawful or dangerous materials or items on school property
- Excessive Tardiness and Absences

This list does not limit the circumstances under which Shear Finesse Hairstyling Academy may impose disciplinary action against students. Any conduct that falls below our standards of conduct or breaches the school’s policies is subject to disciplinary action.

Photographs & Recordings

You may not audio-record, video-record, or photograph a fellow student, an employee, or third party with whom you interact in the course and scope of your enrollment without the knowledge and consent of that person. Often the school takes photographs, videos, and audio-recordings of campus activities including its students, guests, and others for promotional or other purposes. If you wish not to be included in such photographs, videos, and audio-recordings, please notify a school official, instructor, or the Director to ensure the school honors your decisions.

Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at Shear Finesse Hairstyling Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Period

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900, 1200 clocked (actual) hours
Barbering	450, 900, 1200 clocked (actual) hours
Restricted Barbering	450, 900, 1200 clocked (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Attendance Progress Evaluation

Students are required to attend a minimum of 67% of their contracted hours based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Full time students are scheduled to be in attendance 6 hours per day, Tuesday through Friday and 8 hours on Saturday for a total of 32 hours per week. All part time students are scheduled to be in attendance 4 hours per day, Tuesday through Friday and 8 hours on Saturday for a total of 24 hours per week.

Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course		Maximum Time Allowed	
		Weeks	Scheduled Hours
Cosmetology (Full time, 32 hrs/wk)	1200 Hours	40 Weeks	1800
Cosmetology (Part time, 24 hrs/wk)	1200 Hours	52 Weeks	1800
Barbering- (Full time, 32 hrs/wk)	1200 Hours	40 Weeks	1800
Barbering-(Part time, 24 hrs/wk)	1200 Hours	52 Weeks	1800
Restricted Barbering-(Full time, 32 hrs/wk)	1200 Hours	40 Weeks	1800
Restricted Barbering-(Part time, 24 hrs/wk)	1200 Hours	52 Weeks	1800

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Shear Finesse Hairstyling Academy. Students must maintain a written grade average of 75% to be considered making satisfactory progress.

Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Grading Scale		
100%-95%	Excellent	A
94%-85%	Good	B
84%-75%	Satisfactory	C
74%-65%	Unsatisfactory	D
64%-00%	Failing	F

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-establish of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedures

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and

reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Attendance Policy

The importance of regular attendance and punctuality cannot be over-emphasized. The future employer of cosmetology students and your clients will expect dependability, as we will. All students are required to clock in electronically and sign an attendance roster. Attendance is monitored daily to ensure students are adhering to the attendance policies. Students are required to call the school if they are going to be absent. Students must speak with a school official or Instructor to inform him/her of the reason, duration of absence, and to schedule all make up work. Students who are absent 1 day without notification and no documented mitigating circumstance are considered a "no call no show" and will be given a verbal warning for 1st offenses and a written warning, suspension or terminated if the offense is continuously repeated.

VETERAN STUDENTS: *Please see the school's VA certifying official for all academic and attendance policies specific to the school's Veteran population.*

14-Day Absence Policy

All students absent 14 consecutive calendar days and not on an approved leave of absence will automatically be terminated from their program. On the 14th day of absence, students must clock at least three hours to be considered present for that day. (*Also see school Refund Policy-Notice of Cancellation*)

Leave of Absence

Shear Finesse Hairstyling Academy's policy regarding Leave of Absences (LOA) is as follows:

- All requests for leaves of absences must be in advance in writing, include the reason for the request, signed and dated.
- If a student is unable to provide a written request in advance due to an unforeseen circumstance, the school will document its reason for the leave of absence, if granted and collect the request from the student at a later date. The beginning date of the approved LOA will be the first date the student was unable to attend class due to the unforeseen circumstance.
- Leave of absences are reviewed for approval, all requests for LOA will be considered on an individual basis and is typically limited to one leave of absence in a 12 month period with a reasonable expectation that the student will return after the LOA
- Leave of absences cannot exceed 180 days within a 12 month period.
- Students will not be charged any additional tuition for an approved Leave of Absence.
- Students returning from a leave of absence will return to school in the same progress status prior to the leave of absence and resume their level of study at the same point in which they left
- Students will have their contracts extended by the same number of days taken in the LOA. Changes to the contacted enrollment agreement will be documented with an addendum signed and dated by the student and designated school official.
- Students granted a LOA that meet these criteria are not considered as withdrawn , no refund calculation is required at this time

- Students who fail to return to Shear Finesse Hairstyling Academy after a leave of absence will be terminated. The date of termination will be the day after the student was scheduled to return to school. Tuition and fees charged will be in accordance with the institutional refund-cancellation policy published in this catalog and in the student's enrollment agreement.
- **VETERAN STUDENTS:** Students approved for VA benefits may not be approved for a leave of absence due to VA pay purposes. Education Benefits will be terminated during periods of absence as defined in the Veteran's Policies.

Tardiness Guidelines

All students are required to be in their designated classroom when the class begins and attend the entire class. Students will clock in electronically and manually sign an attendance roster. Students will not be admitted in class after 9:15am for day students and 5:15pm for the evening students. With a valid reason or prior permission to arrive late, students may be admitted to class. Continued tardiness interferes with the quality of education to all students and will not be tolerated. If tardiness becomes a habit, a student may be placed on probation at the school's discretion and will be asked to make improvements in this area within a given time frame. If the behavior continues, the student may be dismissed from the program.

Make-Up Hours

Although absences are discouraged, the school will permit students from both the day and evening class to make-up hours missed due to documented scheduled absences and documented mitigating circumstances. No student will be allowed to make up time due to tardiness, no call no show, and unscheduled absences. All make up time must be approved by the Director prior to completion in order to receive credit and should not exceed the approved make up hours. Make up time will be documented in the same manner as regular attendance by the electronic clocking method and manually signing the attendance roster.

The students are equipped with a variety of skills to begin a career in the Barbering or the related industry, including business skills, customer service, retailing, communications, and entrepreneurship.

Restricted Barbering General Program Description

The Restricted Barbering Program is a 1200 hour program that consists of academic (theory) and practical application with the exception of chemical services. Students are taught through class room lecture, demonstration and hands on training in a clinic setting, where they practice skills on mannequins and clients. Beginning students are taught the basics and are not allowed practice on clients until they have mastered the basics skills to move on to the next level. Students are tested at the end of each subject and are expected to pass with at least 75% test score.

Veterans Policies

The following information pertains to students attending Shear Finesse Hairstyling Academy utilizing benefits due to their eligibility through the Veterans Administration. These policies are applied only to those students and do not apply to the general student population of Shear Finesse Hairstyling Academy.

Standards of Attendance for Veteran Students

Veteran students enrolled at Shear Finesse Hairstyling Academy who are absent more than 20% of their total scheduled hours in any month will have their pay benefits terminated for unsatisfactory attendance. Absences may be excused due to extenuating circumstances only. Excused absences will be substantiated by entries in the students' files. Early departures, class cuts, being tardy, etc., for any portion of a class period will be calculated by the minute and counted towards the maximum percentage of absences allowed in a month.

If benefits are terminated due to unsatisfactory attendance, a student must show good attendance (as defined) for a period of one month after the determination. After such time, the student may be recertified for VA education benefits.

The student's attendance record will be retained in the veteran's administrative file and in the student's electronic attendance record for USDVA and SAA audit purposes.

Standards of Academic Progress for Veteran Students

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 75% each evaluation period. All students enrolled are evaluated at 450, 900, and 1200 actual clocked hours. All students are required to achieve a minimum CGPA average of 75% by the midpoint of training. VA students whose CGPA fall below 75% at the end of any evaluation period will be placed on an academic probation until the next evaluation period. If the VA student's CGPA is still below 75% at the end of the probation period, the student's VA educational benefits will be terminated. A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a minimum CGPA of 75% by the next evaluation period.

Veteran's Credit for Previous Education or Training

VA students must disclose all previous education and training. All training from other institutions will be evaluated by the School Director and must be supported by an official transcript and catalog showing the course description. Shear Finesse Hairstyling Academy will grant appropriate credit based on the evaluation of previous education. The student must have earned at least a C (2.0) in the course for he/she desires credit for previous training. VA students training time will be shortened and tuition reduced proportionately. The Veteran Administration and the student will be notified when the evaluation is completed.

Consumer Disclosures

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), includes many disclosure and reporting requirements. A disclosure requirement is information that a postsecondary education institution is required to distribute or make available to another party, such as students or employees. A reporting requirement is information submitted to the U.S. Department of Education or other regulatory agencies.
