Admissions

Equal Access/Equal Opportunity

Shear Finesse Beauty Academy in making admissions decisions, we do not discriminate on the basis of disability, age, race, color, religion, creed, national origin, ethnic origin, sex, marital status, sexual orientation, or membership in other protected groups, as defined by local, state or federal law. Rather, we make admissions decisions based on merit, including each applicant's interest, aptitude, and ability. The specific requirements to gain admission are outlined in the admissions requirements.

Admissions Procedures

Enrollment occurs year round for all programs and during regular school hours Monday-Friday 10am-5pm. All applicants will be required to meet with an admissions representative before any decision is made to submit an application. During the interview the representative will discuss the prospective student's program choice, training needs, individual motivation and other important pre-enrollment information.

Admissions Requirements

The school requires each applicant complete an enrollment application and meet the following minimum requirements.

- Submit documentation showing that you are at least 16 years of age (birth certificate, driver's license, state ID, passport)
- Proof of graduation from high school or its equivalent, GED, an official transcript of secondary school completion, or a state certification of home-school completion. Or the school may accept an official transcript from a post-secondary institution. The transcript from the post-secondary institution must show completion of at least a two-year program acceptable for full credit towards a bachelor's degree.

Should an enrolling student provide a foreign high school diploma, the institution will work with the student to obtain an English translation of the document along with confirmation that the education received is equivalent to a U.S. high school diploma. This documentation must come from an outside agency.

In the absence of the above documentation, the applicant must take and pass an approved ability-to-benefit test administered according to the test publisher's guidelines by an approved Independent Test Administrator.

Credit for Previous Training

Transfer students in all programs must submit formal application for admission and adhere to the admission policy and procedures. Students must provide official documentation of all prior credits earned. Credit for previous education and training will be evaluated and granted, if appropriate. All course work will be shortened accordingly, and all records of previous education will be maintained in the student's file. Upon receipt of an official transcript of previous hours, the student's tuition will be adjusted accordingly. Students are advised that the acceptance of credits is at the sole discretion of the receiving institution. No representation is made whatsoever concerning the transferability or acceptance of any credits to any institution. It is the student's responsibility to confirm whether or not credits earned will be accepted by another institution of the student's choice. **Please Note:** Shear Finesse Beauty Academy does not recruit students already attending or admitted to another school offering similar programs of study.

Out of State Training

Credits for out of state training must be evaluated and approved by the State Board of Cosmetology prior to being accepted by the School. An institution's accreditation does not guarantee that the credits earned at that institution will be accepted for transfer. Students must contact the admissions office of the receiving institution to determine what credits, if any, will be accepted.

The curriculum places a great deal of emphasis on how to obtain and retain employment after graduation. Graduates are encouraged to maintain contact with the school and follow-up with the school on current employment or employment needs. In addition, the school maintains a network of relationships with professionals and employers who provide mentoring to students while they are in school. Job referrals are made known to interested graduates as available

Guest Lecturers

Shear Finesse Beauty Academy invites industry and business related professionals to give lectures and or demonstrations to the students. The school attempts to introduce positive, successful professionals to the students to encourage, motivate and inform on current industry latest developments.

Grievance Policy

The school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's licensing below:

Student Conduct

Students are expected to dress professionally and conduct themselves in a businesslike manner. Students must be aware that this section may not account for all situations and the school reserves the right to change and/or amend any of the following rules and regulations as deemed necessary.

Discrimination, Harassment, Bullying & Offensive Behavior

Shear Finesse Beauty Academy strives to provide an environment in which all students can achieve their goals and thrive. Discrimination, harassment, bullying, and any significantly offensive behavior create barriers to education and achievement and are contrary to the school's core values. Shear Finesse Beauty Academy pledges to comply with all applicable laws providing equal educational opportunities to individuals regardless of disability, age, race, color, religion, creed, national origin, ethnic origin, sex, marital status, sexual orientation, or membership in other protected groups, as defined by local, state or federal law or other applicable protected classes under federal, state, or local law. This pledge covers admissions, recruitment, financial assistance, course offerings, counseling, advising, and employment.

- *Descriptive discrimination behavior is treating an individual or group less favorably than another because of a membership in a legally protected class.*
- *Descriptive harassing behavior is verbal or physical conduct that demeans, stereotypes or shows hostility or aversion toward an individual or group because of a membership in a legally protected class and which creates an offensive, intimidating or hostile school environment.*
- *Descriptive bullying behavior is the continuous or repeated infliction of physical harm or psychological distress on one or more students or employees.*

For all these reasons, Shear Finesse Beauty Academy will not tolerate discrimination, harassment, bullying or other significantly offensive conduct directed towards students in connection with their educational programs and activities at the school, without regard for the intent or basis for the conduct. The school Director shall terminate any student found to be engaging in any behaviors described in the above policy.

Drug Free School and Work Place Policy

Shear Finesse Beauty Academy is hereby declared a drug and alcohol free school and work place. Students and employees are prohibited from the unlawful manufacture, distribution, possession or use of a controlled substance or alcohol anywhere on school property. Including the grounds, parking areas, or while participating in school related activities. Students or employees who violate this policy will be subject to disciplinary action up to and including expulsion or termination of employment.

As a condition of enrollment or employment, students and employees must abide by the terms of the policy or Shear Finesse Beauty Academy will take one or more of the following actions within 30 days with respect to any student or employee who violates this policy by:

1. Reporting the violation to law enforcement officials.
2. Taking appropriate disciplinary action against such student or employee, up to and including expulsion or termination of employment
3. Requiring such student or employee to participate in a substance abuse rehabilitation program approved for such purposes by a federal, state, local health, law enforcement, or other appropriate agency.

In conformance with the law, Shear Finesse Beauty Academy will make a good faith effort to maintain a drug and alcohol free school and work place through implementation of the preceding policy and will establish and maintain a drug and alcohol free awareness program.

Convictions of Possessions or Sale of Illegal Drugs and Federal Student Financial Aid

A federal or state drug conviction can disqualify a student for FSA funds. The student self-certifies in applying for aid that he is eligible; you're not required to confirm this unless you have conflicting information.

Convictions only count against a student for aid eligibility purposes (FAFSA question 23c) if they were for an offense that occurred during a period of enrollment for which the student was receiving Federal Student Aid—they do not count if the offense was not during such a period, unless the student was denied federal benefits for drug trafficking by a federal or state judge (see drug abuse hold sidebar, next page). Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

	Possession of illegal drugs	Sale of illegal drugs
1st offense	1 year from date of conviction	2 years from date of conviction
2nd offense	2 years from date of conviction	Indefinite period
3+ offenses	Indefinite period	Indefinite period

Disciplinary Actions

Violation of the student conduct rules or school policies and procedures will result in disciplinary actions. In each instance, Shear Finesse Beauty Academy retains full discretion to determine what discipline (up to and including termination) is warranted. The following outlines the schools most common disciplinary actions:

1. Verbal Warning
Generally, a verbal warning is appropriate when the school has no knowledge of prior misconduct by the student and the school determines that the misconduct is moderate in nature. A memorandum of the verbal warning will be placed in the student’s record.
2. Written Warning
Generally, a written warning is appropriate when it is determined that the student has engaged in a prior act of misconduct or the misconduct is serious in nature.
3. Three-Day Suspension
Generally a three-day suspension is appropriate when the student has engaged in repeated acts of prior misconduct or the misconduct is severe.
4. Termination
Generally, termination of enrollment is appropriate when the student has engaged in repeated acts of prior misconduct and the misconduct is severe in nature. However, certain types of misconduct are so severe that the school will choose to terminate the student’s enrollment upon a first offense.

The following list provides examples of conduct that, when committed by a student, are likely to result in disciplinary action:

- Statements or conduct towards a fellow student, staff member, or guest that demeans, harasses, or discriminates against that person on the basis of race, age, color, national origin, ethnic origin, religion, disability, gender, sex, sexual orientation, or any protected characteristic
- Sexualized, abusive, bullying, profane, or other offensive statements or conduct towards a fellow student, staff member, or guest

- Refusal to follow reasonable directions from a staff member or other insubordination
- Chronic or excessive tardiness or absences that are disruptive to the learning environment, guests services, or otherwise
- Not calling in during absences-“no call, no shows”
- Acts in violation of applicable federal, state, and local law.
- Theft or destruction of property belonging to the school, students, guests, or co-workers
- Acts or threats of violence towards a fellow student, staff member, or guest or on school property
- Violation of the drug and alcohol-free school policy
- Appearing in the campus intoxicated or under the influence of a controlled substance
- Refusing a client
- Cheating on an exam
- Disrupting the learning environment
- Possession of alcohol, illegal drugs, firearms, explosives, weapons or other unlawful or dangerous materials or items on school property
- Excessive Tardiness and Absences

This list does not limit the circumstances under which Shear Finesse Beauty Academy may impose disciplinary action against students. Any conduct that falls below our standards of conduct or breaches the school’s policies is subject to disciplinary action.

Photographs & Recordings

You may not audio-record, video-record, or photograph a fellow student, an employee, or third party with whom you interact in the course and scope of your enrollment without the knowledge and consent of that person. Often the school takes photographs, videos, and audio-recordings of campus activities including its students, guests, and others for promotional or other purposes. If you wish not to be included in such photographs, videos, and audio-recordings, please notify a school official, instructor, or the Director to ensure the school honors your decisions.

Appeals of Disciplinary Actions

In the event that you disagree with a final decision or disciplinary action issued by Shear Finesse Beauty Academy, you may seek a review of the outcome by submitting an appeal to the Director and/or school official. To submit an appeal, you must submit a written statement that clearly identifies the decision at issue (that is, the decision with which you disagree), the reason that you disagree with the decision, and any other information that you would like to be considered. The appeal must be filed within 14 calendar days of receipt of the disciplinary action. The school officials will review the appeal and make a final decision within 5 days of the written appeal. All decisions following appeals for disciplinary actions are final.

Grading Scale		
100%-95%	Excellent	A
94%-85%	Good	B
84%-80%	Satisfactory	C
79% and below	Unsatisfactory	Failing

Student Classification

The programs at Shear Finesse Beauty Academy are classified into three departments:

- **Basic Department: 1-300 Hours**
The student is taught sanitation and shampooing. They are also introduced to basic chemical services, such as hair coloring, permanent waving, and relaxing. The student practices these skills on their mannequins and each other. They are gradually placed onto the clinic floor during the latter portion of their initial 300 Hours.
- **Intermediate Department: 301-600 Hours**
In this range the student should have fully graduated to the clinic floor. They have gained enough theoretical and clinical knowledge to provide basic services on the clients. However, they are under close supervision of the floor instructor. Additionally, they may be required to observe or assist a senior student.
- **Advanced Department: 601-1200 Hours**
Academic and Clinical skill are continuously being taught throughout all departments. The students will continue lab and clinical assignments in order to gain the services and skills needed to complete the program. The student must work to have all skills mastered. Students at this level are now working on speed, accuracy, test taking skills, sanitation, safety, job search, and customer service.

Testing Policy

The following outlines the school's testing policy:

1. All students are required to be tested after each chapter in the textbook and must pass with a score of 80% or higher. Each student is required to turn in their workbook assignment prior to each test and must not have missed 75% or more of the chapter's theory instructions. If you fail to turn in the workbook assignment or absent 75% or more of the chapter's theory without meeting with your instructor for missed assignments/lectures, you will be ineligible to take the test on the scheduled test date. The assignment of additional work is the responsibility of the student. He/she must meet with their instructor regarding missed lectures and work book assignments.
2. Any student tested on the scheduled test date and scores 79% or lower will be allowed to retest with a different test. The testing date will be provided by the instructor within 24 hours of failure notice. The higher of the two scores will be recorded in the student's file. If the student fails the retake test, he/she is allowed to retake a different test after 5 calendar days and will be charged a fee of 25.00 for each retake test requested. Payment is due prior to taking the test and is non-refundable. (*Test dates are subject to change at the discretion of the school and/or instructor. Students will be notified of all changes in a reasonable time frame prior to test date.*)
3. Any student absent on the scheduled test date without prior approval, mitigating circumstances, and/or missed more than 75% of the chapter's theory instructions without additional assignments from the instructor, or failed to complete the assigned workbook lesson will be allowed to take the test on the scheduled date for retesting. If the student scores 79% or lower on the retake test he/she will be allowed to retake a different test after 5 calendar days and will be charged a fee of 25.00 for each test requested. Payment is due prior to taking the test and is non-refundable. (*Test dates are subject to change at the discretion of the school and/or instructor. Students will be notified of all changes in a reasonable time frame prior to test date.*)

4. There is a zero tolerance policy for cheating of any kind. Any student found cheating will receive a grade of zero for the exam. Any student found assisting another student on an exam will be considered cheating and given a zero on the exam. Students will be referred to the Director for disciplinary action in the form warning, suspension, or termination. If the student is allowed to continue in the program, he/she will be allowed to retest and charged a fee of 25.00 for each additional test requested. Payment is due prior to taking the test and is non-refundable. If a student is found to be cheating again, he/she will be automatically terminated from the program.

In the event of extreme circumstances students may be allowed to test outside of the scheduled testing dates. These events will be examined by the Director on an individual bases and may require documentation from the student prior to the rescheduling of any test. If the student takes the test and fails with 74% or lower, he or she will not be assessed a 25.00 fee for administering a retake test. However, if the retake test is failed the additional test fee of 25.00 applies. All tests given under these circumstances will only be given on Mondays from 10am-12pm.

Make-Up Work

Each student is responsible for satisfactory completion of all assigned work and test during absences. Students must work with their instructors on an individual basis to complete all make up assignments within the time period set by the instructor. Students are reminded that missing test dates and scheduled theory hours due to absences may increase your program hours, tuition fees and cause unsatisfactory progress. Also see *Testing Policy*.

Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy (SAP) is consistently applied to all students enrolled at Shear Finesse Beauty Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Period

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology 450, 900, 1200 clocked (actual) hours
 Barbering 450, 900, 1200 clocked (actual) hours
 Restricted Barbering 450, 900, 1200 clocked (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Attendance Progress Evaluation

Students are required to attend a minimum of 67% of their contracted hours based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Full time students are scheduled to be in attendance 6 hours per day, Monday through Friday for a total of 30 hours per week. All part time students are scheduled to be in attendance 5 hours per day, Monday through Thursday and 4 hours on Friday for a total of 24 hours per week.

Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course		Maximum Time Allowed	
Full Program Length	Academic Year Length	Approx. Weeks	Scheduled Hours
Cosmetology (Full time, 30 hrs/wk-40 weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Cosmetology (Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800
Barbering- (Full time, 30hrs/wk-40 weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Barbering-(Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800
Restricted Barbering-(Full-time,30hrs/wk-40weeks) 1200 Hours	30hrs/wk-30 weeks 900 Hours	60 Weeks	1800
Restricted Barbering-(Part time, 24hrs/wk-50 weeks) 1200 Hours	24hrs/wk-37.5 weeks 900 Hours	75 Weeks	1800

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Shear Finesse Beauty Academy. Students must maintain a written grade average of 80% to be considered making satisfactory progress.

Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Grading Scale		
100%-95%	Excellent	A
94%-85%	Good	B
84%-80%	Satisfactory	C
79% and below	Unsatisfactory	Failing

Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-establish of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedures

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

(End of Satisfactory Progress Policy)

Attendance Policy

The importance of regular attendance and punctuality cannot be over-emphasized. The future employer of cosmetology students and your clients will expect dependability, as we will. All students are required to clock in electronically and sign an attendance roster. Attendance is monitored daily to ensure students are adhering to the attendance policies. Students are required to call the school if they are going to be absent. Students must speak with a school official or Instructor to inform him/her of the reason, duration of absence, and to schedule all make up work. Students who are absent 1 day without notification and no documented mitigating circumstance are considered a "no call no show" and will be given a verbal warning for 1st offenses and a written warning, suspension or terminated if the offense is continuously repeated.

VETERAN STUDENTS: *Please see the school's VA certifying official for all academic and attendance policies specific to the school's Veteran population.*

14-Day Absence Policy

All students absent 14 consecutive calendar days and not on an approved leave of absence will automatically be terminated from their program. On the 14th day of absence, students must clock at least three hours to be considered present for that day. (*Also see school Refund Policy-Notice of Cancellation*)

Leave of Absence

Shear Finesse Beauty Academy's policy regarding Leave of Absences (LOA) is as follows:

- All students are required to follow the school's policy when requesting a Leave of Absence.
- All requests for leaves of absences must be in writing, include the reason for the request, signed and dated.

Reasons for which a Leave of Absence may be granted are:

- The birth or adoption of a child or placement of a foster child
 - The care of a sick spouse, child or parent
 - The student's own serious health condition
 - Death of an immediate family member
 - Documented military duty
 - Documented jury duty
- If a student is unable to provide a written request in advance due to an unforeseen circumstance, the school will document its reason for the leave of absence, if granted and collect the request from the student at a later date. The beginning date of the approved LOA will be the first date the student was unable to attend class due to the unforeseen circumstance.
 - Leave of absences are reviewed for approval, all requests for LOA will be considered on an individual basis and is typically limited to one leave of absence in a 12 month period with a reasonable expectation that the student will return after the LOA
 - Leave of absences cannot exceed 180 days within a 12 month period. A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 days in any 12-month period.
 - Students will not be charged any additional tuition for an approved Leave of Absence.
 - Students returning from a leave of absence will return to school in the same progress status prior to the leave of absence and resume their level of study at the same point in which they left
 - Students will have their contracts extended by the same number of days taken in the LOA. Changes to the contracted enrollment agreement will be documented with an addendum signed and dated by the student and designated school official.
 - Students granted a LOA that meet these criteria are not considered as withdrawn, no refund calculation is required at this time.
 - Failure to return from the Leave of Absence on the schedule date will result in immediate termination from school, unless the student speaks with the administrator to extend the Leave of absence before the schedule return date. All institutional refunds and Return to Title IV calculations will then go into effect based on the student's last date of attendance.
 - Student will be withdrawn if the student takes an unapproved Leave of Absence or does not return by the expiration of an approved Leave of Absence and the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.
 - Students approved for VA benefits may not be approved for a leave of absence due to VA pay purposes. Education Benefits will be terminated during periods of absence as defined in the Veteran's Policies.

Tardiness Guidelines

Excessive tardiness interferes with the quality of education to all students and will not be tolerated. If tardiness becomes a habit, a student may be placed on probation at the school's discretion and will be asked to make improvements in this area within a given time frame. If the behavior continues, the student may be dismissed from the program.

Make-Up Hours

Although absences are discouraged, the school will permit students from both the day and evening class to make-up hours missed due to documented scheduled absences and documented mitigating circumstances. No student will be allowed to

make up time due to tardiness, no call no show, and unscheduled absences. All make up time must be approved by the Director prior to completion in order to receive credit and should not exceed the approved make up hours. Make up time will be documented in the same manner as regular attendance by the electronic clocking method and manually signing the attendance roster.

These students will be withdrawn from the program and the withdrawal date will be the earlier of the documented expected date of return or the date the student notifies the institution of withdrawal. This policy also applies to expelled students.

School officials will utilize attendance records and/or student academic records in determining the last date the student was considered in participation in their classes, if necessary.

Withdrawal dates for students who did not notify the school due to circumstances beyond their control will be given special consideration for an earlier withdrawal date based on appropriate third party documentation of their circumstances.

Identifying Unofficial Withdrawals

Programs

Cosmetology

The Cosmetology Program objective is to provide the students with the necessary education and training to meet the competencies for examination required by the Florida State Board of Cosmetology. The students are equipped with a variety of skills to begin a career in Cosmetology or related industry, including business skills, customer service, retailing, communications, and entrepreneurship.

Cosmetology General Program Description

The Cosmetology Program is a 1200 hour program that consists of academic (theory) and practical application. Students are taught through class room lecture, demonstration and hands on training in a clinic setting, where they practice skills on mannequins and clients. Beginning students are taught the basics and are not allowed practice on clients until they have satisfactorily completed the basics skills to move on to the next level. Students are tested at the end of each subject listed in the program outline below and are expected to pass with a test score of 80%. The cosmetology subjects are identified by a course number that begins with COT (Cosmetology Theory) and COP (Cosmetology Practical).

Veterans Policies

The following information pertains to students attending Shear Finesse Beauty Academy utilizing benefits due to their eligibility through the Veterans Administration. These policies are applied only to those students and do not apply to the general student population of Shear Finesse Beauty Academy.

Standards of Attendance for Veteran Students

Veteran students enrolled at Shear Finesse Beauty Academy who are absent more than 20% of their total scheduled hours in any month will have their pay benefits terminated for unsatisfactory attendance. Absences may be excused due to extenuating circumstances only. Excused absences will be substantiated by entries in the students' files. Early departures, class cuts, being tardy, etc., for any portion of a class period will be calculated by the minute and counted towards the maximum percentage of absences allowed in a month.

If benefits are terminated due to unsatisfactory attendance, a student must show good attendance (as defined) for a period of one month after the determination. After such time, the student may be recertified for VA education benefits.

The student's attendance record will be retained in the veteran's administrative file and in the student's electronic attendance record for USDVA and SAA audit purposes.

Standards of Academic Progress for Veteran Students

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 80% each evaluation period. All students enrolled are evaluated at 450, 900, and 1200 actual clocked hours. All students are required to achieve a minimum CGPA average of 80% by the midpoint of training. VA students whose CGPA fall below 80% at the end of any evaluation period will be placed on an academic probation until the next evaluation period. If the VA student's CGPA is still below 80% at the end of the probation period, the student's VA educational benefits will be terminated. A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining a minimum CGPA of 80% by the next evaluation period.

Veteran's Credit for Previous Education or Training

VA students must disclose all previous education and training. All training from other institutions will be evaluated by the School Director and must be supported by an official transcript and catalog showing the course description. Shear Finesse Beauty Academy will grant appropriate credit based on the evaluation of previous education. The student must have earned at least a C (2.0) in the course for he/she desires credit for previous training. VA students training time will be shortened and tuition reduced proportionately. The Veteran Administration and the student will be notified when the evaluation is completed.

Consumer Disclosures

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), includes many disclosure and reporting requirements. A disclosure requirement is information that a postsecondary education institution is required to distribute or make available to another party, such as students or employees. A reporting requirement is information submitted to the U.S. Department of Education or other regulatory agencies. The following is a list of the information required to be made available to students as well as how to obtain the information. **For your convenience**, most of the general school notifications required by the Higher Education Amendments of 1986 has been satisfied within this catalog, during orientation and on school website (www.shearfinessehairacademy.com).
